- Ban of any avoidable physical contact (e.g. handshakes).

Symptoms of infection and process in case of occurrence

People with COVID-19 have had a wide range of symptoms reported – ranging from mild symptoms to severe illness – symptoms may appear 2-14 days after exposure to the virus. By signing this document the participant confirms that:

- He/she did not have a fever in the last 14 days.
- He/she did not have a cough in the last 14 days.
- He/she did not have an aching throat or limbs in the last 14 days.
- He/she did not have breathing problems in the last 14 days.
- He/she did not have restrictions in the sense of taste and smell in the last 14 days.
- He/she did not have muscle strains or sudden weight loss in the last 14 days.
- He/she did not have sudden confusion or fall without cause in the last 14 days.

In the event that one of these symptoms occurs before the start of the activity/event or during the activity/event, there is a personal obligation to report it immediately to the relevant responsible who will inform the organisation asap. The organizer and Circuit Zolder reserves the right to exclude the symptomatic person and team from the event.

The participant agrees that the data collected may be processed and used by the CMO (Chief Medical Officer) and COVID manager for the implementation of the infection prevention measures.

I confirm that I have read the above written information. Furthermore, I confirm that I will not attend the activity/event in case I had direct contact with a confirmed infection case or if I stayed in one of the officially designated risk areas for more than 48 hours during the last two weeks. ¹

In case of violation of the infection prevention concept by a person, Circuit Zolder reserves the right to impose a fine of up to 2.500 EUR and/or a dismissal. By signing the declaration of consent, each participant acknowledges this procedure.
